## Stone Chips Happen

At motorway speeds even a small stone can cause damage. With best-in-class quality and clarity, LLumar® Platinum Paint Protection Film shields your vehicle's finish against stones, road debris, winter salt and sand all year long.

LLumar® Door Edge Guards provide an excellent shield against paint chips and scrapes in car parks where damage often occurs.

## Quality you can count on

Proudly made in the U.S.A. of domestic and imported materials, LLumar® Platinum Paint Protection Film helps protect car finishes from paint chips and scratches. Manufactured by a subsidiary of Eastman Chemical Company, LLumar products are recognized for their outstanding appearance and durability. We proudly stand behind our products and installation. This, along with a reputation for quality and innovation, has made LLumar one of the best-selling and most-respected paint protection film brands in the world.
