

Self-Healing Surface

Quality you can count on.

Proudly made in the U.S.A., high-performance LLumar® Paint Protection Film helps protect car finishes from road debris and scratches. Manufactured by a subsidiary of Eastman Chemical Company, LLumar products are recognised for their outstanding appearance and durability. We proudly stand behind our products and installation. This, along with a reputation for quality and innovation, has made LLumar one of the best-selling and most-respected paint protection film brands in the world.

Self-Healing Paint Protection Film
Because the first scratch hurts the most.

Shields against rocks, road debris and sand with year-round protection

Limited warranty*.

LLumar® warrants professionally sold and applied LLumar Paint Protection Film against cracking, bubbling or discolouring caused solely by defects in manufacture or materials, for a period of five years from the date of purchase of the product. This limited warranty is valid only if the product application was performed by an accredited LLumar installer in accordance with manufacturer's application procedures and over OEM factory paint.

Contact your local dealer to have LLumar Paint Protection Film installed today!

*Certain restrictions apply; see an authorized dealer for manufacturer's limited warranty details.

A
virtually
invisible
shield

Defend against the hazards of the road.

The first scratch hurts the most. So prevent the pain and keep your car looking newer for longer with highly durable, self-healing paint protection film. A high-gloss, virtually invisible shield, LLumar® Paint Protection Film protects your car from the damages caused by everyday driving.

Protection where you need it most.

With best-in-class quality and clarity, LLumar Paint Protection Film has superior durability to stand up to the hazards of the road. Adding LLumar Paint Protection Film to your vehicle can help shield the areas of your vehicle that are most vulnerable to damage.
